Leadership Experiences

Avenir Business Competition

Beijing, China

Head of Finance Department | September 2019-April 2021

- Organized the Avenir business competition and led the finance department by managing costs that went into the competition and revenue from different sources
- Negotiated financial sponsorship terms with 10+ corporations and secured \$10,000+ sponsorship fees for the competition
- Taught and collaborated with my team to create financial statements (income statement, cashflow statement)

Pioneer Academics Research Program

Beijing, China

Pioneer Student | February-June 2019

- Conducted a full length research paper with the help of Professor Even-Tov from Haas School of Business, UC Berkeley, on the evaluation of Under Armour: "Can Under Armour(NYSE:UA) Continue to Gain Market Share from Nike and Adidas?"
- Computed valuation using the discounted cash flow(DCF) method and the multiples method to arrive at a target share price of \$29. Actual price was ~\$27 in July 2019

U16 Men's Basketball Student Coach

Beijing, China

Student Coach | November 2020-February 2021

- Led the training program for 20+ members with a focus on young player's athleticism, agility, and mobility; Ended 3rd in the tournament
- Motivated athletes by pushing their limits physically and mentally and provided individual feedback

Honors

- Academic Scholarship Recipient | September 2019-2021 | Beijing City International School
- Valedictorian Nomination | May 2021 | Beijing City International School
- International Baccalaureate Diploma | July 2021 | International Baccalaureate Organization
